David Danesh

VP, Business Development

David is currently the Vice President of Business Development for AXCS Capital. In that role, David will be utilizing his operational and proptech experience to guide AXCS Capital into developing the CRE finance platform of the future. Prior to AXCS Capital, David helped launch Belong, an A16Z backed rental platform, as the founding team member and first business hire. The team has grown to 180+ employees and raised 100MM+ to date. David also spent 2 years at George Smith Partners working as an underwriter. David has a BBA in Finance from Boston University.
